Quirks of Washington County, Tennessee’s First Congressional District

Washington County, Tennessee, located in the First Congressional District, has a rich history and some unique quirks:

Historical Significance

1. **Watauga Association**: In 1772, settlers in the area formed the Watauga Association, America's first written constitution.

2. **State of Franklin**: The region was part of the short-lived State of Franklin in the 1780s,

an attempt to create a new state separate from North Carolina.

Unique Features

1. **Jonesborough**: Known as Tennessee's oldest town, Jonesborough is famous for its historic downtown and the International Storytelling Center.

2. **Tri-Cities Region**: The district includes the Tri-Cities area (Johnson City, Kingsport, and Bristol), known for its vibrant culture and outdoor activities.

3. **Republican Stronghold**: The First Congressional District has been a Republican stronghold since the Civil War, making it one of the most consistently Republican districts in the country.

These quirks and historical elements make Washington County and the First Congressional District a fascinating area with a unique blend of history and culture.
